EXPERIENCE -:

Company -: **Innovins Technology, Mumbai , Maharashtra (March 2024 –Sept 2024)**

I have been working as a Intern Front-End Developer with 6 months of experience in designing and developing user-centric web applications for diverse industries.

**Responsibility:** - Proficient in developing and optimizing responsive user interfaces using modern frameworks and tools like React, Bootstrap. Collaborated with designers to translate wireframes into pixel-perfect designs. Reviewed and debugged code to ensure high performance and usability.

Company -: **Shaheen Digitech , Mumbai , Maharashtra (October 2024 – Present)**

I am working as a Junior Web Developer. Involve in designing and developing user-centric web applications. Create websites that are both responsive and user-friendly, bridging the gap between ideas and functionality to meet all your business demands.
